

Adessa

The destination for elevated cognitive wellbeing.

People are burned out, anxious, foggy, emotionally fatigued, and concerned about cognitive decline.

Introducing Adessa Mind Spas – the premium destination for cognitive wellbeing.

Know your mind

Discover what's possible for your mind in under 20 minutes with AQ™, Adessa's proprietary **cognitive wellness baseline**.

Shift your cognitive state

Personalized, noninvasive neuromodulation sessions **stimulate, regenerate, and activate** specific areas of the brain.

Start a new ritual

Membership programs, ongoing assessments, and recurring engagement create **a regular practice for cognitive health.**

PROOF OF DEMAND

Our first popup in Miami – 5 months after entity formation — oversold with zero marketing spend.

300+ waitlist | 50 participants, M/W 32-60 | NPS 75; 9.3/10 Likelihood to Recommend | 83% can see it as part of a routine

BUSINESS MODEL
